Who the F*#K Cares ... use

Terence Renati® **Matt Mud**® criminally aggressive hold, has a feeling that is natural and funky.

This cool, dry, matt mud is the one to give you the look without looking like you have tons of product in your hair.

Works like a dream. Holds in all temperatures. Washes out with warm water.

Renati® Matt Mud® - it's not dirty, its not filthy, but incredibly hot, sexy and arousing.
