When a boy becomes a man...

Cyberwax helps to thicken hair, adding volume and texture. Brilliant for curly or straight hair, with a natural clean look and minimum shine. Use on dry or towel dried hair.

Playgum helps thicken hair, adding volume and texture. Brilliant for all short hairstyles. Allows pliability, hold and a natural clean look. A great hold in high humidity. Use on dry or towel dried hair.

Hairclay hard satin finish. Keeps hair straighter. Use it every day on wet or dry hair. No more frizzy hair. Excellent for long hold requirements in hot conditions.

Shaving Cream smooths & softens normal to coarse facial hair. Ready for shaving with peppermint oil and no alcohol.

After Shave Balm a natural formula, cools & conditions skin after shaving, protecting it with humectants that revive as they sooth & refresh, leaves skin clean & conditioned. With aloe vera, peppermint oil & no alcohol.

Hair Balancer for all wax users. To give hair maximum thickness and volume after towel dried hair. With apple cider & no alcohol.

Shampoo for daily Wax users. Special shampoo formula for people who use waxes on their hair regularly. It helps the wax to grip to the hair for a better hold, without neglecting the conditions of the hair.

Conditioner for daily Wax users. Apply as much as needed to hair and scalp. For PH hair adjustment and a healthy clean scalp.
